It can be combined with the Vipp716 Ø90 coffee table.

### Materials

Powder-coated aluminum with outdoor coating, tabletop of ceramic.

## PRODUCT DIMENSIONS

H. 36 cm / 14.2 in, Ø. 60 cm / 23.6 in.

## ASSEMBLY GUIDE

Please follow the assembly guide to ensure correct installation.

1. When assembling your table, place it upside down on the cardboard or another soft underlay to prevent scratches or marks, and to protect the floor. Do not place the table on its sides.
2. Mount each leg (1), and tighten the screws (2).
3. Place tabletop on the frame so it is aligned correctly with the outer edge.

If you experience problems, please do not hesitate to contact our Customer Service at [info@vipp.com](mailto:info@vipp.com).

## CARE INSTRUCTIONS

We recommend caring for the tabletop to ensure its long-lasting appeal and appearance.

### Ceramic tabletop

General care: Use a cloth, warm water, and a mild detergent. Use a slightly rougher sponge for solid stains.

Limescale stains: Use a lint-free cloth and a mild detergent suitable for painted surfaces.

Rinse with water and wipe down the frame with a dry cloth.

Grease stains: Use alcohol or glass cleaner to remove grease stains.

### NOTE

Due to the hardness of the ceramic surface, please use caution when placing delicate items directly on the tabletop.

### Powder-coated surfaces

Keep powder-coated surfaces clean and dry. Use a lint-free cleaning cloth or a soft brush with warm water and a mild detergent. Finish by wiping down the surface with a dry cloth.
