THOMAS DARIEL

Thomas Dariel fonda l'omonimo studio di progettazione a Shanghai nel 2006. Il suo approccio caratteristico e creativo lo consacrano a firma illustre del panorama del design mondiale. La sua capacità di infrangere barriere e spingersi oltre i confini del convenzionale gli permettono di raggiungere traguardi e riconoscimenti professionali, oltre che la stima di tutto il sistema dell'interior design. A conferma dell'innata creatività, per il catalogo Cappellini Thomas Dariel firma progetti molto eterogenei fra loro, come il vassoio Off The Moon e i portacandele Blue Candleholders.

Thomas Dariel founded the design studio that bears his name in Shanghai, in 2006. His characteristic creative approach has earned him a place among the illustrious names in the international design panorama. His ability to break boundaries and go beyond conventions has allowed him to reach both personal milestones and professional recognition, as well as the esteem of the entire interior design industry. As further confirmation of his innate creativity, Thomas Dariel has created signature pieces for the Cappellini catalogue that are very heterogeneous to one another, such as the Off The Moon tray and the Blue Candleholders.
